SPORTS

Golf Tournament

Announced by:
F. R. C. C.
Sept. 4, 5, & 6

(54 Holes - 18 Holes Each Day)

The Golf Committee of Falling River Country Club is pleased to announce the "Annual Membership Golf Tournament" which will be played Labor Day weekend, Sept. 4th, 5th, and 6th. John Paul Rotherb will be putting his title of "Club Champion" up for grabs for all participants.

All Club members desiring to participate must sign up on the "Tournament Register" no later than Sunday, August 29. There will be no entrance fee for club members participating (min. age 16) and trophies or prizes will be awarded in all flights with the best gross scores winning the "Club Championship Trophy". Tournament play will consist of 54 holes, 18 holes each day with flights being determined upon completion of 36 holes of play on Sun., Sept. 5th. There will be "Shotgun Starts" on all three (3) days with play beginning at 12:30 p.m. on all days. Starting tees and Foursomes will be determined by random drawing and will be posted at the Starter's Tent each day prior to beginning play.

Persons desiring electric carts should get in contact with Tony Gutherie (Phone no. 993-2753) and for caddies, H. W. (Billy) Conner (Phone no. 352-7331 or 352-5551.) To assure that a cart or caddie is available for you, the committee urges that you contact the above as soon as possible.

All trophies or prizes will be awarded at the end of play on Monday, Sept. 6, and if there is a tie in any flight a "Sudden Death Playoff" will decide the winner. An additional prize will be awarded for the closest to the hole on No. 3 and the longest drive on No. 4.

Present U. S. G. A. rules will govern play except as amended by local club rules. Scorers are not required, however, all players in each foursome shall attest the scores by signing the score card before turning it in at the starter's tent. Winter rules shall apply which permits improving lies in the fairways only (approx. 12 in.) and not in any rough or hazard. Out of Bounds areas are identified with the white markers and the lagoon on hole No. 9.

Since the course will be closed to normal play at 11:00 a.m. these three (3) days, all members are urged to come out and participate, helping to make this a "Super Tourna ment". In order that tournament play is not delayed, all participants must be on their assigned starting tees no later than 12:25 p.m. on all three (3) days and everyone is asked not to practice on the greens prior to play thus reserving the best possible conditions for actual play. If additional information is needed, please contact your tournament committee; H. W. Conner, G. H. Jamerson, Tony Gutherie or Floyd Fleshman, Jr.

In case of rain, the tournament will be played the following weekend, Sept. 11 & 12 and it will consist of 36 holes instead of 54, with flights determined after the first 18 holes are completed.

Vepco Announces $11 Million Environmental Contract

An $11 million contract for environmental protection equipment was announced today by Virginia Electric and Power Company. The contract was awarded to Research-Cottrell, Inc., of Bound Brook, N. J.

J. D. Ristroph, executive director of environmental control for Vepco, said, "According to our supplier, this is the largest air pollution control order ever placed for precipitators at a single power station."

The order calls for two electrostatic precipitators (dust collectors) to serve two 553,000 kilowatt generating units at the Mt. Storm Power Station in West Virginia. Total installed cost of the equipment is estimated at $15.6 million.

Guaranteed efficiency of the precipitators is 99.5 percent at rated conditions, with coal as low as one percent sulphur and ash as high as 25 percent. The units are designed to handle 1,820,000 actual cubic feet per minute of gas at 285 degrees Fahrenheit.

To achieve high collection efficiency with low sulphur coal, each precipitator will consist of four units of 59 ducts each, and five separate electrical sections. The contract calls for a model study of the precipitators and flue system, and for Research-Cottrell to design and erect the flue system as well as the precipitators.

The new precipitators, scheduled to be in operation in late 1972, will operate in series with existing precipitators installed when the units were built in 1965 and 1966. Vepco already has spent more than $7.5 million on air quality at Mt. Storm, but the original precipitators have never achieved their 96 percent design efficiency.

A third generating unit now under construction at Mt. Storm is also scheduled to receive a Research-Cottrell precipitator rated at 99.5 percent efficiency, at a cost of approximately $5 million, to be installed by the time the unit goes into service in 1973.

The work at Mt. Storm is part of Vepco's overall environmental control program which will cost on the order of $133 million between 1971 and 1975.

Soldiers Make Camp At Park

Gary Carpenter of New York State, Chris Calkins of Michigan and David Jurgella of New York State are portraying Union soldiers camped in the village after General Lee's surrender. These young volunteers are experts in Civil War history and have their own Civil War uniforms and equipment. They will be talking with visitors about life during Civil War times every day except Thursday and Friday through August 30.

Boys Home Seeks Cook

Patrick Henry Boys Plantation, near Brookneal, is looking for a cook to prepare meals for boys from two cottages there (capacity 15 and 12 residents).

Several benefits go along with the job, according to executive director E. W. McCullough - a mobile home with utilities furnished (all at very low rent) plus meals, of course, and the knowledge that a cook can also be an extra friend to the boys of Patrick Henry. For further details, call E. W. McCullough, Patrick Henry Boys Plantation (Brookneal) 376-2006.

CARD of THANKS

I wish to thank the Appomattox Volunteer Fire Company for their service Saturday night in putting out a fire in a tree in my rear close to my house. The fire was caused by trying to destroy a Yellow Jacket's Nest. I am especially grateful to Mr. Carl Wooldridge and Mr. Hugh Mitchell and all the others who helped. Also Mr. James Maxwell. Gratefully--Mrs. Mary C. Bagby. 8/19/1p

The members of the family of Mr. John C. Davis, Jr. wish to express their heartfelt thanks and appreciation to their neighbors and friends for the many kindnesses shown them during their recent bereavement. 8-19-1p

At a time when our hearts were saddened at the loss of a loved one, all of you, our friends and relatives, came to our aid with food, beautiful flowers, lovely cards and visits to strengthen us. Thank you one and all, Family of Mrs. John W. Scruggs. 8-19-1p
